Returns & Refund Policy

Your parts may be returned for a refund if they're unused.
You must notify within 14 days of receiving your order that you wish to return your order
If the parts turn up with signs of usage, this will result in a partial refund
Return postage is to be arrange & paid for by the customer
Once notified of return request you must return your order within 10 working days.
Once the order is received back to us and after inspection – refund will be processed.
